FUTURE OF WE – OPTIONAL QUESTIONS/PROMPTS

1. Re: The presentations: What resonated with you? / What was your biggest takeaway?

2. Are you seeing strategic shifts or changes on your campus or in your organization now that impact your work, e.g., greater emphasis on internships, new technology solutions? If so, how are they impacting/how do you expect those to impact your work?

3. What were you doing 5 years ago that you aren’t doing now? What do you think you are doing now that you won’t be doing in 5 years?

4. Consider your current role: How do you think it might be different in the future?

5. Is the future of work and/or the future of OUR work something you discuss with your staff/co-workers? If so, what are some of your insights/takeaways from those discussions?

6. Have your reporting lines changed in the last few years? If so, how has that altered what you do/how your office operates?

7. What are you doing now to prepare for how things might be in the future?

8. How do you think recruiting and career services will interact in the future?

9. In your opinion, what will recruiting and career services need from each other in the future? What can we do for each other NOW?

10. Both career services and recruiting work with students: How do you think students will be different in the future? How will the recruitment of students change in the future? What will they need from career services? From recruiters? From work?
